

# Empyrean Hospice

**Now open and serving  
our Athens community.**

We are committed to caring for people at the end of life with the same level of dedication and compassion we would choose for our own loved ones.

Patient focused. Clinician led. Faith driven.

**Honored to announce our  
Deficiency-Free Survey, we are open  
and serving our Aiken community.**

Committed to the highest quality of life possible, our hospice services focus on compassion, dignity, and clinical excellence for the patients and families in our care.

Let's begin a conversation about patient focused, clinician led, faith driven hospice care.
